

AveoAir™ Ball Vents

AveoAir™ Ball Vents are lightweight with sturdy machined-aluminum alloy construction, anodized in your choice of 5 finishes.

Very Simple installation with 2 piece threaded construction, eliminating the need to drill for screws--threads on to hold securely.

Mounts in 1.75 inch hole with outside flange of 2.0 inches. Accepts 1.5 inch standard scat hose and still leaves plenty of room for a hose clamp.

Ideal vent solutions for those small tight panel spaces. **ONLY AVEO VENTS** come with a choice of 3 rear standard SCAT tube coupler diameters so you can optimize your air flow. Choose from 1.5", 1.75" or 2.0" diameters (38 mm, 44 mm, 50 mm).
